

Steam 17

High pressure delivery hose for saturated steam or hot water (up to peaks of +235°C) in industrial, chemical or petrochemical processes.

- **Tube:** black smooth EPDM, with steam resistance
 - **Reinforcement:** steel yarn
 - **Cover:** black EPDM micro pin pointed and with fabric print, heat, weather and abrasion resistant
- Norm:** BS 5342:85 type 2 class A

Remark: drain hose after use, for longer life

Also available with red cover (on demand)

Applications

Ref	Diameter (mm)	Weight (g/m)	WP (bar)	BP (bar)	Bending Radius (mm)
	13 x 25	580	17	170	130
	16 x 28	640	17	170	160
	19 x 32	750	17	170	190
	25 x 38	940	17	170	250
	32 x 46	1.390	17	170	320
	38 x 52	1.610	17	170	380
	51 x 67	2.240	17	170	510
	76 x 97	4.300	17	170	790
	102 x 124	7.000	17	170	1.010
