

MP 20 EPDM

Flexible multi-purpose hose with excellent aging, weather and abrasion resistance.

- **Tube:** black smooth and electrically conductive EPDM
- **Reinforcement:** textile spiral construction
- **Cover:** smooth EPDM abrasion and weather resistant
- **Color:** black

Electrically conductive: $R < 10^6 \Omega/m$

Applications

Binnenwand: zwarte gladde en elektrisch geleidende EPDM

Verstevinging: textiel inlage in spiraal constructie

Buitenwand: gladde EPDM, schuurvast en weersbestendig

Kleur: zwart

Elektrisch geleidend: $R < 10^6 \Omega/m$

Reference	Diameter (mm)	Weight (g/m)	WP (bar)	BP (bar)	Bending radius (mm)	Coil length (m)
